Appeal from the United States District Court for the Eastern District of North Carolina, at Wilmington. Louise W. Flanagan, Chief District Judge. (CA-04-103-FL)

Submitted: April 28, 2005

Decided: May 4, 2005

Before WILLIAMS, KING, and DUNCAN, Circuit Judges.

Dismissed by unpublished per curiam opinion.

Donald Sullivan, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Donald Sullivan appeals the district court's orders denying relief on his 42 U.S.C. § 1983 (2000) complaint under 28 U.S.C. § 1915(e)(2)(B) (2000), and denying his motion for reconsideration and to amend his complaint. We have reviewed the record and find that this appeal is frivolous. Accordingly, we dismiss the appeal on the reasoning of the district court. See Sullivan v. United States, No. CA-04-103-FL (E.D.N.C. July 7, 2004; July 10, 2004). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
